- South Jersey Gas Co.
- TD Charitable Foundation

Dear Nominated Student,

Congratulations! You have been nominated to apply to the Teen Advisory Council at the Ronald McDonald House of Southern New Jersey. This year is the first time the Ronald McDonald House of SNJ is offering this student program. The Council will be a group of dedicated, driven students focused on coming together to help reduce the unnecessary stress of families who have critically ill and injured children.

We are looking for students in grades 9th-12th to be selected to serve for a minimum of one year on this council after submitting a written application, followed by an interview process. This group will organize social events at Ronald McDonald House for the families. These events may include Halloween Trick of Treat, Winter Wonderland, Valentine’s Day, and May Day Fun. In addition to these social events there will be one fundraising event sponsored by the Teen Advisory Council and times to assist with other ongoing House fundraisers throughout the year. This Council may also be asked to help with in-house activities and opportunities to raise awareness of the mission of the House during the year.

Being a member of the group will allow you various life-learning and leadership opportunities, such as how to reach unanimous consensus within a group and the logistical, as well as financial, components of event planning. In addition, this Council will provide a chance for you to meet new peers who share the same desire to be leaders in their communities.

For more information about the Teen Advisory Council and to apply, please visit to our website, www.ronaldhouse-snj.org. The application is due by December 16th. If you have any questions or concerns, please contact Rachel by phone at 215-630-7496 or through e-mail at Rachel@ronaldhouse-snj.org.

Sincerely,

Teddy Thomas
Executive Director

Rachel Koretsky
Director of Teen Advisory Council
